

Conquering Satan's world just as Jesus did. How can we do that? Part 4

*CSB (John 16:33) 33 I have told you these things so that in Me you may have peace. You will have suffering in this world. Be courageous! **I have conquered the (Satan's) world.**"*

In the previous article we discussed about Frank-ism, about the Jews who have spread around the world as businessmen and bank owners and about the central banks:

*NKJV (1 Timothy 6: 9-10) 9 But those who desire to be rich fall into temptation and a snare, and into many foolish and harmful lusts which drown men in destruction and perdition. 10 **For the love of money is a root of all kinds of evil...***

We have the assurance that all lies, injustices and deceptions will be exposed:

NKJV (Matthew 10:26) 26 Therefore do not fear them. For there is nothing covered that will not be revealed, and hidden that will not be known.

The Red Symphony

Christian Rakovsky with Leon Trotsky ca 1924 [WIKIPEDIA](#)

In 1938 Gabriel (pseudonym) of the Soviet secret police questioned the former Russian ambassador of France Christian Rakovsky. Rakovsky was a communist and supporter of Trotsky, who was accused of overthrowing Stalin.

Many Trotsky followers were shot during the cleansing of the Communist Party in 1937. The fear of death was great with Rakovsky.

That made his answers more reliable, but he still didn't tell everything he knew.

The transcript of his interrogation called 'The Red Symphony' was not intended to be made public.

Also present at the interrogation was Dr. Landowsky, a Pole who had become Russian. The doctor was there to put drugs in Rakovsky's glass unnoticed, to make him more talkative. Thereafter, Dr. Landowsky had to translate the transcript from French. He made two copies, one for Stalin and one for Gabriel. He secretly dared to make an unauthorized third copy, which he hid with danger of his own life.

Christian Rakovsky himself was a freemason at a high level, but not of the highest degree. According to Christian Rakovsky, freemasonry is a secret society that promotes global communism. They do that he said, because that is also the purpose of the bankers who manage the lodges. A new world order with a communist basis. Russian communism presented itself as helping humanity to share.

According to Rakovsky, the truth is completely different:

"There is only one aim, one single aim: the triumph of Communism; it is not Moscow which will impose its will on the democracies, but New York, but the "partnership of parties" on Wall Street." "Communism cannot be the victor if it will not have suppressed the still living Christianity....as we see it in Russia, things have reached the point of the creation of that spiritual nihilism which is dominant in the ruling masses, which have, nevertheless, remained Christian: this obstacle has not yet been removed during twenty years of Marxism."

And about the establishment of the National Socialist Party, Rakovsky said:

"In 1929, when the National-Socialist Party began to experience a crisis of growth and it had insufficient financial resources, "They" sent their ambassador (Warburg) there." "Hitler, this uneducated and elementary man, has restored thanks to his natural intuition and even against the technical opinion of Schacht, an economic system of a very dangerous kind.... That means that he took over for himself the privilege of manufacturing money, and not only physical moneys, but also financial ones...."

Hitler was not allowed to print money himself. It turned out to be Hitler's big mistake and he lost the support of the banks.

Simply put, just like capitalism, communism also has financing from banks and a banking elite with its influence. (Central) bankers are looking for totalitarian power.

The real meaning of communism requires the dismantling of nation, race, religion, and family.

The interrogation of Rakovsky confirmed the plan of the big bankers, to use communism to establish a world dictatorship of the (Jewish) super-rich to control all wealth and power.

And above all, **to overthrow the Christian religion.**

(Transcript interrogation 'RED SYMPHONY' online: <http://mailstar.net/red-symphony.html>)

Christians are an unyielding people and a nightmare for communism.

Who despite hardships and oppression speak with a deep conviction. (Acts 14: 21-22)

Communism

The interrogation of Rakovsky confirmed the plan of Jewish bankers to use communism for a "capitalist-communist" world dictatorship.

It is hardly to imagine that the world is largely led by an elite through a (Satanic) cult and embraces communism for this.

Such as the millions of dead in the Bolshevik revolution (with Jewish money) in Russia with the re-education camps, exile to Gulag camps and the killing of opponents.

Emerging neo-communism is now being used again to concentrate all wealth and power into the hands of the central banking cartel (the Rothschild's and their allies).

Organized Judaism, leftist groups and freemasonry are all instruments for this agenda.

Neo-communism is a political system with a population that is suppressed in their freedom and a small group of rich leaders who have all the liberties. It is slavery.

Communism is also a system that runs counter to the Christian principles of mercy, love, justice and freedom.

In the case of this neo-communism, the state owns the companies and all private property such as houses, plots and resources. The bankers then own the state.

The main item within neo-communism is therefore the creation of private central banks in all countries.

Kakistocracy is a world government run by the most unscrupulous or unsuitable people, which will inevitably lead to a worldwide tyranny.

The reason American pioneers accepted the Constitution at the time was that they were assured that a government with limited powers would emerge. That came to an end with the approval of the progressive income tax together with the Federal Reserve (FED), the US private central bank.

When the Cold War against the Soviet Union was over, however, the Pentagon, the CIA and the NSA opposed the switch to a government with limited powers.

Restricting freedom of expression

Restricting freedom of expression is a defining characteristic of communism.

Angela Merkel now says that freedom of expression must be restricted to keep society free.

(‘Freedom is slavery’ George Orwell)

A new 'censorship law' ensures that critical opinions are automatically labeled as ‘hate comments’ by this law and can be criminalized.

Google, YouTube and Facebook

YouTube announces the upcoming Terms of Service and the new terms will most likely mean a new massive clean-up of content.

YouTube says they can delete your account if you are not ‘commercially viable.’

<https://mashable.com/article/youtube-new-terms-of-service-no-longer-commercially-viable/?europa=true>

The YouTube video portal has already announced that it had removed 8,284,039 videos in the fourth quarter of 2017, which were in violation to internal policies.

In the meantime, the number of videos considered by YouTube to be politically undesirable would be around 20 million videos.

Facebook, Twitter and YouTube censor everything that does not suit them. Left-wing organizations, NGO's (non-governmental organizations) and large companies are also calling that (Jewish) hate speech.

The algorithm used allows Google to adjust the search results so that they don't show (for them) unwanted results. YouTube CEO Susan Wojcicki has now admitted:

"Around 10,000 employees provide monitoring and censorship on YouTube and Google."

Texas Senator Ted Cruz said to Fox News in July 2019:

"Google is a 'monopoly' and could be the most 'powerful company on the face of the planet.' He added that Google uses its monopoly powers to 'silence voices' it disagrees with."

Google / YouTube and Facebook / Whatsapp are Jewish property:

The MSM's most important newspaper in the US is the Jewish 'New York Times' with its political influence.

Satan is not divided

If we see the influence of Judaism (see also the previous articles), one might think that it has no connection with each other. The immoral Frank-ism, the introduction of the laws of Noah, the extreme debts under the influence of the (central) banks, the censored information via MSM and the internet, the Talmud Judaism with its traditions of world domination.

Always remember that the ruler or prince of the demons is Beelzebub. And that's Satan.

Satan uses the Jewish people, the former people of God, for his ultimate purpose.

And the purpose of Satan is **to alienate the entire human world from God (YHWH)**.

But if the empire of Satan is divided, the alienation will not succeed:

NKJV (Mark 3: 22-26) 22 And the scribes who came down from Jerusalem said, "He has Beelzebub," and, "By the ruler of the demons He casts out demons." 23 So He called them to Himself and said to them in parables: "How can Satan cast out Satan? 24 If a kingdom is divided against itself, that kingdom cannot stand. 25 And if a house is divided against itself, that house cannot stand. 26 And if Satan has risen up against himself, and is divided, he cannot stand, but has an end.

If Satan and his demons each have their own plan whereby they are divided against each other, then - according to Jesus - that empire cannot stand.

Satan already controls the entire human world, with the exception of Christians.

That means that Satan's master plan has different steps or phases that seem to be divided against each other, but in reality they do what they are meant to do; **destroy Christianity with**

all power and resources.

But Christians are extremely difficult to break because they believe in the words of the Christ with conviction. As for the Jewish people, they too are being deceived by Satan:

NKJV (Romans 2: 9) 9 tribulation and anguish, on every soul of man who does evil, of the Jew first and also of the Greek....

According to Henry Makow Ph.D. (a Jew who converted to Christianity) the entire Nazi enterprise was meant to destroy the German people and to traumatize the Jews so that they all would go to Palestine against their intention.

This migration of the Jews was necessary for the rollout of the New World Order, Zionism.

According to him, Zionism was therefore a conspiracy against the Jewish people.

The WZO 'World Zionist Organization' is a Non-governmental organization that promotes Zionism. It was established at the initiative of Theodor Herzl in 1897 in Basel - Switzerland.

Globalization, the UN, agenda 21, CFR, and the secret societies

Globalization

The powerful of the earth take what they want and do what they want. They want a communist globalist world government by influencing the UN with their Jewish funds.

You can see that most clearly in their 'new incarnation of the Messiah', Greta Thunberg.

A girl with an Asperger problem who is driven by spin doctors (such as Soros employee

[Luisa-Marie Neubauer](#) or Greenpeace employee [Jennifer Morgan](#)) for a hysterical story at the UN. For the girl it is disastrous, she is lived by parties with a business interest.

Because hysteria is based on emotion, never on knowledge or discernment.

The 1001 club

This elite club was founded by Prince Bernhard (the Netherlands) and is hosted by the WWF (World Wide Fund for Nature). According to well-known journalist Michael Mannheimer, the '1001 Club' is home to almost all green eco-sects and [climate nonsense](#).

Press agency Bloomberg

Bloomberg (under Jewish management) has this kind of panic messages:

"Earth Needs Fewer People to Beat the Climate Crisis," scientists say. More than 11,000 experts sign an emergency declaration warning that energy, food and reproduction must change immediately."

Regrettably, they think up their 11,000 ?? experts in their press release. And some people are going to believe that.

After following the lobby groups: [European Parliament declares a state of emergency for climate](#). We will return to climate extensively in a subsequent article.

The Soros plan to destroy the nation state

<https://www.worldtribune.com/globalist-summit-lifts-veil-on-soros-plan-to-weaponize-cities-to-destroy-the-nation-state/>

As part of its agenda, a globalist meeting that takes place every year alongside the United Nations General Assembly has a plan in collaboration with Concordia (George Soros), to use the local government bodies of major cities to flood Western countries with immigrants and refugees from the Third World, especially Muslims.

<https://www.concordia.net/community/george-soros/>

On page 43 of the group's report for 2018 you can find a summary of an amazing section entitled:

"Cities and the private sector take the lead for refugees and migrants ".

Just like the democratic US presidential candidate Michael Bloomberg (of Jewish origin) who embraces the Citylab organization through the philanthropic branch 'Bloomberg Philanthropies'.

According to the Citylab proposal, cities will take the lead in transnational issues such as terrorism, migration and climate change concerning the new world order.

That is then no longer for the nation states, which will be sidelined with this.

It was at the Concordia annual summit of 2016 where Soros first discussed his notorious promise to 'invest' \$ 500 million in refugees. It has now become clear that promoting greater power for cities is an important part of this investment, so that they can facilitate foreign invasion and races to mix.

(except for the Jewish people, for whom it is forbidden to mix with other races)

[The migration weapon - the most brilliant war ever!](#)

The massive migration to Europe is the weapon for the abolition of white Europe such as the NWO representatives - the Talmud Jews, [Coudenhove-Kalergi](#), [Thomas PM Barnett](#) and Soros - explicitly want. This first required a terrible war in the Middle East.

[The United Nations](#)

According to the New World Order, there must be 5 billion fewer people in the long term:

Short Christian video: [5 BILLION HUMAN BEINGS TO BE MURDERED](#)

Ultimately, they want the current UN to cease to exist and to be replaced by a Jewish UN:

Coin: American Nikki Haley for the UN in Jerusalem

[Agenda 21](#)

In 1992, the UN's Division for Sustainable Development (DSD) devised a global plan.

Agenda 21 (21st century) is a comprehensive action plan that globally, nationally and locally must be done by organizations of the United Nations system, governments, and major groups in every area, in which human impacts the environment.

According to critics, this mainly concerns dominance by a very small minority, thereby suppressing the large majority:

NKJV (James 1: 2-4) 2 My brethren, count it all joy when you fall into various trials, 3 knowing that the testing of your faith produces patience. 4 But let patience have its perfect work, that you may be perfect and complete, lacking nothing.

Our universities are infected with this kind of globalist thought and our children are taught LGBT values at schools. It brings division into the Christian household:

NKJV (Luke 12: 51-53) 51 Do you suppose that I came to give peace on earth? I tell you, not at all, but rather division. 52 For from now on five in one house will be divided: three against two, and two against three. 53 Father will be divided against son and son against father, mother against daughter and daughter against mother, mother-in-law against her daughter-in-law and daughter-in-law against her mother-in-law."

The UN meditation room has an altar. Mr. Hammarskjöld described it this way: *"But the stone in the middle of the room has more to tell us. We can see it as an altarbut because it is dedicated to the God whom man worships under many names and in many forms".* To Satan?
<https://www.un.org/Depts/dhl/dag/meditationroom.htm>

Agenda 21 is supported by all kinds of secret societies, children of Satan:
Council of Foreign Relations, Trilateral Commission, the Bilderberg Conference, Pilgrims Society, Skull and Bones, etc.

The continuation of Agenda 21 is Agenda 2030.

[UN agenda 2030 translation](#) : How do you read the new sustainable development goals of the UN?

According to critics, they are 17 ambiguous goals. To name just 1 example:

As an example objective 1: Put an end to poverty in all its forms everywhere.
The translation by the critics: Centralized banks, IMF, World Bank, Fed to manage all finances, one digital world currency in a cashless society.

NATO has a strong connection with the UN

The agenda of the UN together with NATO is revealed in the speech by Jens Stoltenberg when he states: *'Together, NATO and the UN conduct operations side-by-side. And we are stepping up our political dialogue and practical cooperation.'*

The EU (European Union) implements the plans of the UN and of the NGO's

Already in 2005, long before the current migration flows, the American multi-billionaire George Soros founded the EPIM (European Program for Integration and Migration) with his Open Society Foundations in cooperation with nine other super-rich, which also includes the [Robert Bosch Foundation](#).

These foundations influence the EU with their objectives.

That is why Western countries are overwhelmed by migrants, who are supported for this by means of the expensive crossing, clothing and smartphones.

Islam is the tool of the NWO globalists to destroy the Christian West.

Council on Foreign Relations

With the American think tank CFR (Council on Foreign Relations) the Jewish Morgan-Rockefeller group since 1921 exerts a very pronounced influence on the economic worldview:

"The Council on Foreign Relations (CFR) is the American branch of a society which originated in England ... [and] ... believes national boundaries should be obliterated and one-world rule established." - Professor of History Carroll Quigley, Georgetown University, in his book *"Tragedy and Hope."*

Trilateral Commission

The Trilateral Commission is a private organization (NGO) that serves as a steering committee for cooperation between Japan, Western Europe and North America.

Founded in 1973 by David Rockefeller and Zbigniew Brzezinski to create a global economic power that is superior to the political governments of the nation states involved.

Former President Reagan attacked President Carter and said, among other things:

"I don't think the Trilateral Group is a kind of conspiracy, but I think its interests correspond to those of banks, multinationals and so on. I do not think that a government in the United States should have people in no fewer than 19 positions who think like the Trilateral Commission. No, I would choose a different course".

Think tanks

The Anglo-American Jewish think tanks not only concern the CFR, but also the club of Rome and other (occult) think tanks. According to the [Georgia Guidestones](#), they want a central world government with around half a billion people to serve them and the rest of the people are not needed.

The way to chaos, which is consciously caused

Denis Healey, former British Secretary of Defense:

'World events do not occur by accident. They are made to happen....and most of them are staged and managed by those who hold the purse strings.'

Two centuries ago, Gutle Schnapper, the wife of Mayer Amschel Rothschild, said,
'If my husband does not want a war, there will be no war.'

Many people are starting to realize that there are large financial groups that dominate the world. The political intrigues, conflicts, revolutions and wars are not pure coincidence, everything has been planned well in advance.

One of the ways in which the globalists want to pursue a New World Order is the aforementioned roll-out of mass migration to the Western countries.

The EU secretly introduced fundamental rights for all Africans. Flooding of Europe by hundreds of millions of Africans has already been decided. [Media and politicians remain silent.](#)

How do they want to reach chaos?

They introduce everything that is the opposite of what Christianity is.

They keep repeating their LGBT mantras. Christians have other life beliefs:

NKJV (Genesis 2:24) 24 Therefore a man shall leave his father and mother and be joined to his wife, and they shall become one flesh.

NKJV (Ephesians 5: 24, 28) 24 Therefore, just as the church is subject to Christ, so let the wives be to their own husbands in everything..... 28 So husbands ought to love their own wives as their own bodies; he who loves his wife loves himself.

Or by 'obliging the population' to accept [vaccinations](#), such as [vaccinations with microchips](#). Facebook will remove all content regarding vaccinations from its platform, because that content would conflict with their internal policy or with their objective.

The lobbyists have managed to penetrate into the highest layers of the UN, EU parliament and Western governments and levels of governance. They have begun to gradually break down our prosperity, peace and freedom of the Christian way of living.

The lobby is also directed against Russia, the Russiaphobia. The war industry wants to do business in the interest of the multinationals, but mainly in the interest of the (Jewish) banks. The Secret services have become privatized military intelligence services, also known as the deep state. They are managed by the mentioned banks with their cash flows.

The wealthy David Rockefeller spoke at a UN Business Conference, Sept. 14, 1994:
"We are on the verge of a global transformation. All we need is the right major crisis and the nation will accept the New World Order. "

NKJV (Titus 1:11) *11 whose mouths must be stopped, who subvert whole households, teaching things which they ought not, for the sake of dishonest gain.*

NKJV (2 Timothy 3:13) *13 But evil men and impostors will grow worse and worse, deceiving and being deceived.*

Finally:

Should we then become anxious about losing everything due to current developments?

No, certainly not:

NKJV (Luke 14:33) *33 So likewise, whoever of you does not forsake all that he has cannot be My disciple.*

NKJV (Revelation 2:10) *10 Do not fear any of those things which you are about to suffer. Indeed, the devil is about to throw some of you into prison, that you may be tested, and you will have tribulation ten days. Be faithful until death, and I will give you the crown of life.*

Christians should continue to preach carefully and with policy to acquaintances, friends and people we meet:

NKJV (Matthew 10:16) *16 "Behold, I send you out as sheep in the midst of wolves. Therefore be wise as serpents and harmless as doves.*

Ask for strength of your Heavenly Father to remain faithful, being worthy to escape the chaos:

NKJV (Luke 21:36) *36 Watch therefore, and pray always that you may be counted worthy to escape all these things that will come to pass, and to stand before the Son of Man."*

In the following article we will discuss that the rich of the earth get a privilege, but that the Jews get dominance, the Frankfurter Schule, the sowing of fear and the Antichrist.

P.S. On the site ['Disciples of Jesus Christ'](#) there are more substantive Christian articles.
